

Abigail "Aba" Villena Presents:

SUMMER SINGLES LEAGUE

at

Billie Jean King Tennis Center

June 24th – August 25th

Hopefully you can join us this summer in our league and play some competitive tennis matches. The format for the league is flexible allowing you to set up a weekly designated match any day of the particular week. Every match is the best of 3 sets with regular scoring. Players are responsible for reserving a court and bringing the tennis balls. You will receive one league point for every set that you win during league play. All I ask is that you report your scores to me via email at abalita10s@aol.com by that Sunday night. At the end of the league we will have a one-day playoff tournament for the top 4 players in each division.

ENTRY FEE: \$35.00

Registration Deadline: June 18th

For more information, please contact your League Coordinator:
